

ACU Health Clinic – Brisbane Occupational Therapy Paediatric Clinic

ACU Health Clinic's occupational therapy team can help you and your child with the activities that make up day-to-day life. This could be anything from brushing hair to sleeping or listening at school.

ACU Health Clinics are university teaching facilities. Our clinic provides state-of-the-art facilities for our clients receiving health services, delivered in a student teaching context. Our clinical programs are delivered by occupational therapy students under the supervision of professional practice educators, who are all qualified and experienced occupational therapists.

WHAT WE OFFER

Services include individual assessment, goal setting, intervention, and education for children and their families. The Occupational Therapy Paediatric Clinic provides support in the areas of:

- home routines (eg dressing, showering, toileting, eating, sleeping)
- regulating (eg emotions, co-regulation, processing sensory information)

- play and social (eg connecting and engaging with others, play with toys etc)
- school (eg attention, managing pencils, independently completing work etc).

Age group: 4 – 17 years. For 0 – 3 years of age, see Infant and Toddler Development Clinic Flyer.
