PLEASE NOTE FOR THE MAPS ABOVE

Students who do not follow the sequence recommended in their Course Map cannot be guaranteed a clash free timetable or completion within the normal course duration period. Any student studying outside the above sequence and students who commenced prior to 2019 should consult with their Course Coordinator prior to enrolling.

STUDY MODES

All units are delivered in On Campus mode, unless otherwise indicated in the map.

UNIT DELIVERY MODES

C - Campus attendance
Learning activities or classes are primarily face-to-face at an ACU campus or approved ACU delivery site.

M - Multi-mode
Learning activities are online with a compulsory attendance component (including examinations, practicums, residentials etc).

OU - Online unscheduled
Fully online with learning activities accessible at any time (including assessments).

OS - Online scheduled
Fully online with learning activities held at scheduled times (including assessments).

PREREQUISITES

- Prerequisites ('*Pre:*') are added in italics.
- Prerequisites are other units that you must have passed *before* enrolling in the unit.
- You will not be able to enrol in a unit in Student Connect if you do not meet the prerequisite requirements. (This will help stop you from enrolling in units incorrectly). You can find out about unit prerequisite requirements in your Course Enrolment Guide.
- Under some circumstances, you might be eligible for a prerequisite waiver.
- You can find out more about prerequisites and how to apply for a waiver on the Student Portal

Elective Units

For your elective unit, you may select any unit that interests you, at either level 2 or 3, providing you are able to meet any pre-requisite requirements. Possible units that will complement your Public Health studies include:

- International Development/Global Health, Geography and Sustainability, Nutrition Science, Exercise Science, Sociology, Project Management, Management and Organisational Behaviour, Information/Digital Health, and Business Administration.
