Bachelor of Education (Primary)

Commencing 2021/2022

This document presents a simplified version of the course rules for the Bachelor of Education (Primary) for students who commenced in 2021/2022. This course requires the successful completion of 320 credit points across six domains.

Course Structure: 320 credit points

- Education Studies 60cp
- Primary Curriculum & Discipline Studies 110cp
- Religious Education or Extension units 40cp
- Effective Teaching Units 60cp
- Primary Specialisation Units 40cp
- Core Curriculum 10cp

In addition to these units, you need to successfully complete the LaNTITE (Literacy and Numeracy Test for Initial Teacher Education) which is conducted by ACER (Australian Council of Educational Research). This is a prerequisite for the third Effective Teaching unit (EDET200) and without a successful result being received by ACU, you will be prevented from undertaking this unit and will result in delaying the completion of the degree.

The units in this course should be completed in the correct sequence (refer to the Course Maps for students commencing in 2021 or 2022). Information about individual units can be found in the online ACU Handbook.

Education Studies 60cp

The Education Studies units (coded EDES) provide broad foundational studies that support teaching.

- EDES100 Understanding Learning & Teaching
- EDES101 Educational Thought
- EDES103 Understanding Learners and their Contexts
- EDES104 Digital Cultures and Capabilities
- EDES105 Aboriginal and Torres Strait Islander Knowledges, Histories and Cultures
- EDES302 Professional Communication

Effective Teaching Units 60cp

The Effective Teaching units (coded EDET) prepare you for the classroom. These units usually have Professional Experience Placement (PEP) embedded in them in which you will be placed in a school for mentored teaching practice. Each experience builds on the previous one and require the completion of prerequisites.

- EDET100 Effective Teaching 1: Becoming a Teacher
 - *(includes 15 days PEP) Prerequisites: EDES100 or EDES103*
- EDET101 Effective Teaching 2: Curriculum, Planning and Pedagogy
 - *(includes 15 days PEP) Prerequisites: EDET100*
- EDET200 Effective Teaching 3: Engaging Learners and Managing Learning Environments
 - *(includes 15 days PEP) Prerequisites: EDET101 and LANTITE*
- EDET300 Effective Teaching 4: Students with Disability and Inclusive Education
- EDET400 Effective Teaching 5: Assessment and Data Informed Practice
 - *Prerequisites: EDET200 and LANTITE*
- EDET401 Effective Teaching 6: Professional Engagement and Reflection
 - *Prerequisites: EDET400*

Primary Curriculum & Discipline Studies 110cp

The Primary Curriculum units prepare you to teach the different curriculum areas found in primary schools. Discipline Studies units broaden your knowledge, understanding and skills in important discipline areas. Units in this domain are coded in accordance with the curriculum (e.g., AR for Arts) and are usually age specific (e.g. Birth – 8yrs). Some units are shared with the Bachelor of Education (Early Childhood & Primary) course.

- EDAR290 The Arts Curriculum, Pedagogy and Assessment F 6
- EDEN100 Foundations of Literacy
- EDEN102 Children's Literature for Early Reading
- EDEN290 English Curriculum, Pedagogy and Assessment 1 (B-8)
 - *Prerequisites: EDEN100 or EDEN102*
- EDEN291 English Curriculum, Pedagogy and Assessment 2 (8-12)
 - *Prerequisites: EDEN290*
- EDHP290 Health and Physical Education Curriculum, Pedagogy and Assessment (F-6)
- EDMA290 Mathematics Curriculum, Pedagogy and Assessment 1 (B-12)
- EDMA291 Mathematics Curriculum, Pedagogy and Assessment 2 (F-6)
 - *Prerequisites: EDMA290*
- EDSS290 Humanities and Social Sciences Curriculum, Pedagogy and Assessment (F-6)
- EDSI290 Science Curriculum, Pedagogy and Assessment (B-12)
- EDTE290 Technologies Curriculum, Pedagogy and Assessment (F-6)

Primary Specialisation Units 40cp

In addition to the Primary Curriculum units listed in the previous domain, you may choose one of the following curriculum areas to specialise in:

- a) English
- b) Maths
- c) Arts
- d) Health & Physical Education
- e) Science
- f) Science & Technology
- g) Languages (Italian or Spanish)

Note: Units identified below with '#' have pre-requisite requirements. See the unit entry in the ACU Handbook.

Note: Your Course Coordinator may approve alternative units to form an appropriate sequence of studies.

English

- EDEN345#
- EDEN410#
- EDAR295 or EDSI100 or ENGL111
- NMBR140 or ENGL234 or EDHP310

Maths

- NMBR141
- NMBR142
- EDMA311#
- EDMA426#

Arts

- EDAR295 (2021)/EDAR164 (2022)
- EDAR430 (2021)/EDAR431#(2022)
- And two of the following three units:
 - EDAR310#
 - EDAR311#
 - EDAR312#

Health & Physical Education

- EXSC106 (NSW only) or EXSC118 (2021)/NUTR101 (2022)
- EDHP400 (2021)/EDHP490# (2022)
- And two of the following units:
 - EDHP310
 - EDHP311
 - EDHP312
 - EDHP313

Science

- EDSI100
- EDSI410#
- EDSI411#
- EDSI412#

Science & Technology

- EDSI100
- EDSI410#
- EDSI413##
- EDTE410#

* This unit may be offered on ACU's Rome campus. Check with your course co-ordinator.

Languages

The languages specialisation requires the completion of 80cp as follows:

- Italian: ITAN101, ITAN102, ITAN103 (2021)/ITAN200(2022), ITAN201, ITAN202, EDLA290*, EDLA291**, EDES300***
- Spanish: SPAN101, SPAN102, SPAN103 (2021)/SPAN200(2022), SPAN201, SPAN202, EDLA290**, EDLA292***, EDES300*

* EDLA290 is replaced by EDLA385 (studied online at the University of New England). Contact your course coordinator for details of cross-institutional enrolment.

** EDLA291 and EDLA292 run on a case-by-case basis. Contact your course co-ordinator for details.

***This unit may be offered on ACU's Rome campus. Check with your course co-ordinator.

Religious Education or Extension Units 40cp

In this domain you choose one of the following options:

- a) Religious Education, or
- b) Extension units

Option a) is for those who are seeking the preparation necessary to teach Religious Education in a Catholic primary school. All other students should take Option b). The Extension units provide an opportunity to advance your knowledge in some key areas of relevance to primary teaching.

Religious Education:

- EDRE290
- EDRE291#
- THBS100
- THCT100

Note: Students wishing to teach RE in NSW or ACT Catholic schools should also study THCT202#. This unit will need to be taken as an overload enrolment.

Note: if you started the Bachelor of Education (Primary) in 2021 and are seeking RE accreditation, the 2021 course rules study does not capture the fact that the RE units changed during 2021 (EDRE290 replaced EDRE101 and EDRE291 replaced EDRE102). Therefore, the full RE sequence for those who started the 320cp degree in 2021 or later is EDRE290, EDRE291, THBS100, THCT100, UNCC300 and THCT202. Unless you are studying an English specialisation, this last unit will need to be taken as an overload (so you will actually end up with 330cp in total). While students in other states or jurisdictions may only need 4 RE units (EDRE290, EDRE291, THBS100, THCT100), the addition of THCT202 is strongly advised. It is OK to have completed EDRE101 instead of EDRE290 and EDRE102 instead of EDRE291.

Extension units:

- EDSI100
- NMBR140 (students commencing in 2022 may choose EDMA153 or NMBR141 instead)
- EDES300* (students commencing in 2022 may replace EDES300 with another unit with approval from the Course Coordinator).
- one unit from another specialisation

* This unit may be offered on ACU's Rome campus. Check with your course co-ordinator.

Core Curriculum 10cp

An ACU education is about your integral human development. It is about learning to look at the world with empathy and confidence, learning to listen and lead, challenging stereotypes, and having the courage to make an impact. The university's Core Curriculum lies at the heart of this transformation. It is a key part of every ACU student's education, giving you time to reflect on what it is to be human, our common social life and ways we can change the world in important ways. In undertaking Core units at ACU, you'll be in classes with students from other disciplines, ensuring different viewpoints and lively debate.

UNCC300*+ or PHCC320*

* This unit may be offered on ACU's Rome campus. Check with your course co-ordinator.

+ UNCC300 has a pre-requisite requirement of UNCC100, but students in this course are exempt from this requirement.

¹ All students must complete UNCC300, but the best time to study it can vary due to choice of primary specialisation.

² This unit may be offered in more than one teaching period per year on some campuses. Students seeking to reduce study loads during certain teaching periods (e.g. Winter of year 4) are advised to plan ahead and choose their enrolment pattern accordingly.

³ EDES300 is a designated Extension Unit for non-RE students commencing in 2021. It is usually offered in Summer or Winter. This unit replaces one of the mapped Extension Units (e.g., E or H). NonRE students commencing in 2022 may replace EDES300 with another unit with approval from Course Coordinator.
