

Course Maps (Teach-out) Master of Health Administration

Please note that the Master of Health Administration has been discontinued and is now in teach-out.

All continuing students will remain enrolled in their original course but will complete their remaining units across ACU Terms instead of Semesters.

The project stream and research stream part-time maps are provided below for Semester 1/Term 1 commencement show the units that need to be completed to course complete.

Students who commenced in Semester 2/Term 3 complete the same units, but at times the order is different. Full-time students complete two units per ACU Term.
