Acknowledgement of Country

We acknowledge and pay our respects to the First Peoples, the Traditional Custodians of the lands and waterways. We recognise their spiritual and ongoing cultural connection to Country.

We respectfully acknowledge Elders past and present and thank them for their wisdom and guidance as we walk in their footsteps.

University prayer

God of all truth and goodness,
bless us as we gather here
at Australian Catholic University.
May we be strengthened
in mind and heart to pursue
what you inspire,
with insight and deliberation,
that our world may advance.
In true wisdom and justice for all:
Through Christ our Lord. Amen.

Message from the Vice-Chancellor and President

Graduating from university is a momentous occasion to celebrate and share your achievements.

You embarked upon your academic journey at Australian Catholic University with aspiration and ambition. You had a desire to learn so that you could serve others and improve the communities in which you live.

Your path has been filled with many challenges to test your scholarship, will, and determination. It was equally filled with friendship and opportunity as you worked to develop your knowledge, skills, and connections.

Your experiences at ACU have nurtured your empathy, strength and resilience. They have equipped you to capably face challenges and to have an impact on the communities you serve.

Many of you joined the frontline during the international pandemic in the process of gaining your accreditation. You have already been tested in unimaginable ways as you stepped forward to apply your training. This was a noble pursuit. I thank you and I salute you.

Others have dedicated themselves to the kind of research that seeks to make sense of the world and provide solutions for seemingly intractable problems. These invaluable endeavours are entirely in keeping with our ambition to be socially conscious and ethically minded.

The ACU mission is steeped in a centuries-old tradition of Catholic scholarship that is inspired from the earliest university in Bologna. ACU's own journey in building on that tradition has shaped education for communities across generations from our earliest founding institutions, carried through you our graduates, and to our newest students.

As graduates of ACU you immediately join another important fraternity – that of our alumni. There are well over 125,000 members in the ACU alumni network. You will always be part of our greater community and I encourage you to remain connected to your peers and to your university.

Your graduation is an important milestone in your life's journey and your career.

You should be proud of what you have achieved. I know that your family, friends, peers, and your academic instructors are enormously proud of you and how you have emerged from your studies to qualify in your chosen field.

On behalf of the university, I offer you my most heartfelt congratulations.

Professor Zlatko Skrbis
Vice-Chancellor and President

ACU and our mission

THE UNIVERSITY

Australian Catholic University was formed on 1 January 1991 by the amalgamation of four Catholic tertiary institutions in eastern Australia. The university has eight campuses, one in Brisbane, three in Sydney and one each in Canberra, Ballarat and Melbourne. There is also an international campus located in Rome.

The institutions that merged to form the university had their origin in the mid-1800s when religious orders and institutes became involved in the preparation of teachers for Catholic schools and, later, nurses for Catholic hospitals.

Through a series of amalgamations, relocations, transfers of responsibilities, and diocesan initiatives, more than 20 historical entities have contributed to the formation of Australian Catholic University.

The governing body is the Senate, chaired by the Chancellor, with a membership drawn from academic and general staff, students, and community representatives.

The university offers courses to students in the Faculties of Education and Arts, Health Sciences, Law and Business, and Theology and Philosophy with a total enrolment of over 34,000 students.

THE MISSION STATEMENT

Within the Catholic intellectual tradition and acting in Truth and Love, Australian Catholic University is committed to the pursuit of knowledge, the dignity of the human person and the common good.

THE ACU MISSION

Australian Catholic University (ACU) engages the Catholic Intellectual Tradition to bring a distinct perspective to higher education. We explore cultural, social, ethical and religious issues through the lens of the Catholic Intellectual Tradition in our teaching, research and service.

By fostering and advancing knowledge in education, health, commerce, the humanities, the sciences and technologies, law, and the creative arts, ACU contributes to its local, national and international communities.

Our graduates will be skilled in their chosen fields, ethical in their behaviour, with a developed critical habit of mind, an appreciation of the sacred in life and a commitment to serving the common good.

Catalyst Clemente

In partnership with ACU and community-based organisations, the Catalyst Clemente program provides individuals experiencing multiple barriers to accessing higher education a free humanities-based education. Liberal arts subjects, such as philosophy and sociology, are offered to encourage students to think reflectively, engage in community, and create new life possibilities.

The collaboration of ACU and community agencies ensures that students are provided with all the academic rigours of a university-level education, while also being supported emotionally and spiritually through their journey.

University Patron Saint Mary of the Cross (MacKillop)

St Mary of the Cross (MacKillop) believed that we should never see a need without doing something about it, so hopefully her enthusiastic love for life and all people may influence the lives of students and staff at Australian Catholic University (ACU).

St Mary MacKillop has special significance for staff and students at ACU. Born on 15 January 1842 in Brunswick Street, Fitzroy, directly opposite the university's Melbourne Campus (St Patrick's), she dedicated her life to works and values which resonate deeply with the university's mission. Co-founder of the Sisters of Saint Joseph of the Sacred Heart, St Mary MacKillop is the only Australian to be canonized, making her Australia's first saint. She lived her later years on the site of the North Sydney (MacKillop) Campus. Her feast day is celebrated on August 8.

Her order opened schools and orphanages around the country, along with facilities for the homeless and refuges for former prisoners and prostitutes looking to make a fresh start. Her respect for the dignity of all people, her service of the disadvantaged, and her efforts to build the capacity of those communities she served are qualities which ACU seeks to instil in its staff, students and graduates, making her a worthy patron of the university.

Careers and Employability

Your professional journey with ACU doesn't end at graduation.

We offer support even after you've finished your studies. As you transition into employment we're here for you with continued access to career services and support for up to two years.

This includes:

- career consultations with ACU career advisors, online and on campus
- employability and skills workshops, online and on campus
- access to the full suite of ACU career programs, resources and tools.
