RESIDENTIAL LIFE

WELCOME

New friends. Exciting experiences. Memorable moments. University should have them all. Living in student accommodation is one of the best ways to get the most out of your university experience. In our accommodation, you'll get academic support, make lifelong friends, and be part of a diverse and close-knit community. You'll also have access to unique sporting, leadership, spiritual, and community engagement opportunities. Our student accommodation isn't just a place to stay – it's a living and learning community.

RESIDENTIAL SUPPORT TEAM

RESIDENTIAL MANAGEMENT & ADMINISTRATION TEAM

Our residential management and administration teams are responsible for the management, strategic direction and daily operations of each residence. Our administration teams are available within office hours during Monday to Friday to provide service and support to all residents.

RESIDENTIAL ADVISOR TEAM

Our Residential Advisor Team (RAs) consists of full-time students who live in residence. They are responsible for developing and delivering the Residential Life Program. This program consists of regular in-house and online events that are aimed at ensuring each resident has a positive and enjoyable experience living in residence. The RAs are also on hand to assist with any enquiries. If you require a RA to respond to a situation, please contact them via the duty phone (see Important Contacts on page 18).

RAs are chosen for their leadership skills, community participation, and demonstrated commitment to improving student life in ACU's Living & Learning Communities. We welcome any of our residents to apply for the role. Applicants must commit to staying in the property for at least two semesters.

ARRIVAL PROCESS

CHECK-IN

You will be contacted for the check-in date. Once you arrive, a staff member will provide you with a welcome pack containing your key, wifi information (Camillus & St Columba's only), maps of the local area, transport information, and a room condition report. For late check-in, please speak to the accommodation office to arrange.

ROOM CONDITION REPORT

Please complete the room condition report and return it to the accommodation team within two days of check-in. The report is in place to support you in communicating any pre-existing damage so that you are not held liable upon check out, so please ensure you complete it thoroughly.

UNDER 18s

There are special requirements and considerations for students living in residences who are under the age of 18.

Before being offered an occupancy agreement, each applicant, who will be under 18 at the start of their tenancy, will be required to have an interview with one of the residential team members, either face-to-face or via an online video service. This is to ensure that the adult environment of student accommodation will be right for them. Once approved, a parent or guardian will be required to co-sign the residential agreement.

While a student is under the age of 18 on residence, a parent or guardian will be contacted in the instance of ill health, breach of agreement, disciplinary actions, or any other concerns regarding the student. It is expected that students under the age of 18 adhere to a zero-alcohol policy.

These procedures have been put in place to ensure the safety of students under 18 years of age while living in student accommodation. All ACU student accommodation staff have completed Working With Children Checks.

RESIDENTIAL LIFE EVENTS

ACU's Living & Learning Communities aim to provide opportunities for personal development and connection with peers. We encourage greater academic achievement, promote health and wellbeing, and help to develop teamwork skills and provide a positive overall student experience.

Our RAs host regular events to ensure that there is never a dull moment or missed opportunity for our residents to make the most out of living on residence. Our residential events focus on one or more of five focus areas:

All residential events are promoted via the ACU Life platform. Our residential administration teams will add you to your relevant residential group when you check in. Otherwise, you can join the group by scanning the relevant QR code upon arrival.

SERVICES FOR RESIDENTS

The Accommodation Services office is open from 9am to 5pm Monday to Friday.

If you require an RA to assist you with an urgent situation after-hours, please contact them via the duty phone number, **0455 053 173**. Residential Advisors will not respond to requests via their personal phone or social media.

Staff can be contacted during office hours on (03) 5336 5321 or (03) 5336 5323. Please ensure you have the office and duty phone numbers noted down.

Contact hours may be reduced over holiday periods; residents will be notified if any changes occur.

MAIL

Managed Residences mail should be addressed to your accommodation address directly.

Camillus - your address will need to be prefixed by your house number e.g: House 12, 79-83 Gillies Street South, ALFREDTON VIC 3350

MAINTENANCE

Please lodge a maintenance request via the accommodation [portal](#) if you need to report a maintenance issue either in your bedroom or in the common areas. This is the same portal you used to apply and pay occupancy fees. Please report maintenance issues as soon as possible to ensure they are resolved in a timely manner.

If a resident has caused damage requiring maintenance, the resident will be required to pay for the cost of repair and/or replacement of the damaged items.

If a maintenance request has been lodged by a resident or noted during inspections, Management reserves the right to enter the premises without prior warning to resolve maintenance issues.

Residents will be given advance notice as far as practicable.

LAUNDRY

Each house has a washing machine and dryer, an iron and ironing board and some cleaning equipment (mop bucket etc) available for use. Should you need these items replaced or repaired, please log this via the maintenance portal. Expendable cleaning products (soap and cleaners) are a household responsibility to be discussed as a group.

PARKING

Parking is available at Camillus and requires a remote control for the car park gates. You need to pay the \$100.00 security deposit online, through the accommodation portal before collecting a remote control from accommodation staff in Carn Brea (Building 100) on the main campus.

Managed residence parking is unique to each house and where there is a garage, please discuss it as a house group for equitable use.

BIKE HIRE

At Camillus, we provide bicycles for residents to use subject to availability. Residents must provide their own helmet. Please see Residential Advisors to rent a bike.

RUBBISH REMOVAL

Please ensure rubbish is always removed in a timely manner. Bins are located behind your

house. Be sure to make use of the yellow bins for recycling and the red bins for general rubbish.

- Camillus: Students are responsible for putting their bins out in the service road on Monday night and bringing them back in, no later than Tuesday night.
- Managed Residences: Students are responsible for determining when rubbish is collected for their property and putting their bins out on the appropriate night and bringing them back in, no later than the following night. This information is available on the [Ballarat City Council website](#).

PEST CONTROL

You should not create a situation in your house conducive to an infestation. Please ensure that:

- Crumbs and food scraps are disposed of
- Dirty dishes are not left out
- Rangoon, benches and stove tops are regularly wiped down
- Food is sealed or covered properly
- Cupboards are wiped clean as necessary
- Rubbish is emptied in a timely manner
- Kitchen floors are mopped regularly

If you do not adhere to these guidelines and this causes or exacerbates an infestation in your house, you will be held liable for the cost of eradicating pests from your house. We conduct pest control treatments to support your efforts for a clean house.

INTERNET

We may provide you with wifi access to the internet. You transfer and receive data at your own risk. You must comply with our reasonable directions concerning your use of the wifi service. You cannot resell or resupply the wifi service.

You must not use the wifi service:

- (i) to break any law or to infringe another person's rights;
- (ii) to expose us or our third-party suppliers to liability;
- (iii) to transmit, publish or communicate material which is defamatory, offensive, abusive, indecent, menacing or unwanted; or
- (iv) in any way which damages, interferes with, or interrupts the internet services, the network on which the wifi services are supplied, or any other network.

Subject to applicable laws, we may temporarily suspend or restrict your access to the wifi service and our liability for any loss suffered by you howsoever will be limited to us supplying the service again.

As a resident of ACU's student accommodation, you are expected to adhere to the values and ethos of our residential community and university. All residents are expected to behave in a way that is respectful, accepting, safe and connected. Contributing to the community spirit of our residences isn't just grounded in behaviour, but by responsiveness and enthusiasm.

We align behaviour expectations within our residences, to that expected by ACU students.

- [ACU Conduct Policy](#)
- [Procedures for Dealing with Alleged Breaches of Student Conduct](#)

COMPULSORY INDUCTION PROGRAMS AND MEETINGS

You will be required during your tenancy to attend/complete compulsory induction briefings and meeting prior to your arrival at residence, and during your tenancy.

Residential Induction

All residents will receive an email outlining how to complete their residential induction. There are two components that students will need to complete/attend:

1. *Respect.Now.Always*

This online component will be compulsory for all residents to attend prior to arriving at residence. It will focus on ACU's Student Accommodation's zero tolerance for sexual harassment and assault.

An annual survey will be conducted within residence. The data collected from this survey will assist the University to track its management of any sexual misconduct in residence. This data helps to improve incident management and response.

2. *Face-to-Face Inductions*

Face-to-Face inductions will be delivered during O'Week and on an ad hoc basis as required. We will focus on understanding the community spirit of our student residences, what to expect during your first few weeks of Semester, highlight key rules and provide additional information about the residential facilities.

Residents who fail to attend and/or complete their residential induction will receive a disciplinary breach.

Community or disciplinary related meetings

From time to time, you will need to attend any community or disciplinary meetings. These will be arranged by LLC Management as required.

ACU's Residential team will communicate with you mainly via email and ACU Life during your stay, but may also contact you by phone, text, social media channel or in writing delivered to your door in person. It is your responsibility to ensure Residential Management has your updated contact details. Should your contact details change during your time in residence, you can update these via the housing portal.

Failure to respond or community with Residential Management within a reasonable time frame may result in disciplinary action.

BEHAVIOUR & RESPECT

SEXUAL MISCONDUCT

Sexual harassment and assault are never OK. All our students, staff and visitors should feel safe and respect at ACU. We have zero tolerance for sexual harassment and assault, and we expect our staff and students to behave in a manner that is respectful, inclusive and fair on every ACU campus, at all times.

Sexual assault is unwanted behaviour that can take many forms – touching, kissing, exposure, sexual images being taken without consent to any form of sexual penetration. Sexual assault or harassment is never the fault or responsibility of the victim/survivor. If you feel that you have been sexually assaulted or harassed, there is support available to you.

You can find information on:

- Consent
- Reporting an incident
- Finding support

Via the ACU [Respect.Now.Always website](#). Please also refer to ACU's [Student Sexual Misconduct Prevent and Response Policy](#) for more information.

To report sexual assault or sexual harassment, residents can speak to an onsite Safety Support Officer or one of the Living & Learning Communities staff (Monday to Friday, 8am-6pm) or a Residential Advisor; or contact the ACU National Security Centre on 1300 729 452.

ACU students can also report sexual misconduct via the ACU Student Portal or by using the [SafeZone](#) app.

If you require an emergency response, call Emergency Service on Triple Zero (000).

HAZING, DISCRIMINATION AND HARASSMENT

LLC focuses on providing welcoming, supportive and a friendly home-away-from-home. Every resident deserves respect from their peers. We encourage all of our residents to one other as equals and to be a valuable member of their residential community.

We will not tolerate any form of bullying (including cyber-bullying), harassment or discrimination against any resident of our community. This includes any activity or event that aims to humiliate, degrade or impose emotion and/or physical harm to an individual. Additionally, any verbal, written communication that offends, humiliates or intimates another resident will also not be tolerated.

If you are subject to bullying or have witnessed this behaviour in our community, please report the incident to staff immediately.

Visitors are permitted until 10pm Sunday to Thursday, and until 11pm Friday and Saturday. Visitors are not permitted to stay overnight on the premises.

Visitors to the property must be let into the house by their host, through the front door only. Visitors are not to be left in common areas unaccompanied by their host.

Visitors must observe property rules and may be asked to leave if they fail to do so. You are responsible for any visitors you invite into the property and are liable for the cost of any damage they may cause. YOUR ROOM

CLEANING

Residents are responsible for cleaning their room and house regularly. You are responsible for cleaning your individual room, as well as working with the other residents in your house to ensure that common areas are kept clean and tidy.

Residents are able to access mops and vacuum cleaners from the laundry. Apart from these items, residents will need to purchase their own cleaning materials for their house.

If residents are having trouble negotiating cleaning with their housemates, our team can assist to develop a cleaning roster.

INSPECTIONS

Cleanliness and safety inspections are conducted twice yearly. Residents will be given advance notice of when inspections will occur.

Through these inspections we are able to address cleanliness issues or health and safety risks, note any damage to the property, and log outstanding maintenance items.

If you do not pass the first inspection, you will be given ample opportunity to remedy the issues noted during inspection. If you do not pass the second inspection, external cleaners will be contracted to clean the house, at a cost to you. The cost to clean a house will be divided between the residents in the house.

ROOM MOVES/REQUESTS

Room number allocations are subject to change depending on availability at the time of your arrival.

Speak with one of the office team if you have any special requests, all requests will be based on availability. Single gendered apartment allocations are also dependent on availability.

PETS

No pets may be kept or brought into the residence by residents or guests. Please contact the accommodation team if you have a support animal.

DECORATING

It is a great idea to decorate your house to make it feel like your home. However, to avoid damage:

- Do not use nails, pins, or screws
- Do not use adhesives
- Do not apply stickers to the ceiling, walls or furniture.

If you use Blu Tack to affix posters or materials to the wall, it must be totally removed and the wall must be sugar soaped to remove any marks prior to check out.

If you cause any damage while decorating your house, you will be liable for the cost of repair, including repainting the wall if necessary.

BAR FRIDGE

Bar fridge is not allowed in Camillus Residence, except for residents with specific medical storage requirement.

SAFETY AND SECURITY

KEYS

Your key provides access to your house and room.

Keys must only be used by residents and must never be lent to a guest or visitor.

Never let anyone into the premises who you do not know. If someone tells you they are locked out, tell them you are not allowed to let them in and ask them to call the duty phone number. If you are concerned for your safety, please call the duty phone.

LOST KEYS AND LOCKOUTS

If you lose your key, you will be required to pay \$20 for a replacement key. This charge is non-refundable if you recover your lost key.

You are responsible for ensuring that you have your key on you when exiting your house. If you lock yourself out, staff will be able to let you by calling the duty phone or the office during office hours.

If you are locked outside the normal office hours you will need to call the RA or After-Hours Duty Manager in order to receive instruction on how to access the lock box for a temporary key. You will be charged a \$50 administration fee. From time to time, office hours may vary.

HEATERS

Fan and element heaters are not to be used in the residence as they pose a high fire risk. If you wish to have a heater inside your room, please purchase a safer oil column heater. If you are found to have a fan or element heater in your room, it will be removed.

FIRE SAFETY

Residents must always vacate the premises in the case of a fire alarm. Failure to do so puts yourself and others at risk and will lead to disciplinary action. Please familiarise yourself with the emergency evacuation diagrams posted in your house and follow instructions from staff.

To prevent a false fire alarm:

- Do not use candles, incense, or any type of flame
- Do not smoke in the property
- Always cook with the range hood fan on
- Pay attention while cooking to prevent smoke
- Do not spray any aerosol cans directly under the smoke detector
- Utilise the false fire alarm button if you do not have a real fire in your house.

If the alarm goes off in your house, contact the duty phone. If there is not a fire, please:

- Press the fire alarm button
- Turn on the range hood fan and ceiling fan
- Open any windows and fan the smoke away from the alarm

Please familiarise yourself with instructions on using fire extinguishers and fire blankets. It is illegal to tamper with fire equipment, which includes covering or sealing smoke alarms and removing fire blankets or fire extinguishers, except in the case of a fire. Perpetrators will face

disciplinary action.

EMERGENCIES

COVID 19

ACU's Living & Learning Communities will continue to provide support to residents during 2023 and assist those required to isolate should one of its residents generate a positive test result.

ACU Student Accommodation has, and will continue to, implement the following health guidelines in order to minimize risk of COVID-19 transmission:

- Social distancing
- Educational signage that focuses on hygiene measures and guidelines

Residents are encouraged to refer to all communications regarding COVID-19 restrictions and guidelines which will be provided via email by the management team.

GETTING AROUND

THE LOCAL AREA

Ballarat is a regional city with all the modern amenities of larger cities while retaining the country feel of a large town. Parking is usually easy to find and navigating the city is easily done with residents recognising that the city revolves around Sturt St as the main thoroughfare.

PUBLIC TRANSPORT

ACU campus is close to most of our accommodation but there are public transport options. There are buses running throughout the city and you can find your best options [here](#).

TRAVELLING TO ACU CAMPUSES

Travel to the Ballarat campus is easy and as most students drive, if you don't have transport, it's more than likely you can catch a ride with fellow residents and parking is plentiful. Just talk with your housemates. Most houses are easy walking or bike riding distance from campus as well and there are buses and taxis available as well.

DEPARTING FROM RESIDENCE

Residents are responsible for noting the end date of their contract and preparing for check-out. Please advise the accommodation staff if you are checking prior to the end of your contract end date.

EARLY DEPARTURE

Please keep in mind that our rental agreements are legally binding contracts. You are bound by the terms stated on the reference schedule once your rental agreement is signed and executed. If you leave or are evicted from the property for whatever reason, prior to your rental agreement end date, you are still obliged to continue to pay rent for the remainder of your rental agreement.

If you are able to find another student willing to take over your lease for the remainder of your contract, you may be released from your obligations under the reference schedule. The

prospective resident will need to submit an application online, and the break-lease will only be confirmed once the student has signed their new lease and their security deposit is paid. A break-lease fee to the value of one week's rent as per your rental agreement applies. For further information, please enquire with the accommodation staff.

FINAL CLEAN

Before you check-out, please ensure that your house is thoroughly cleaned, and all personal items and rubbish are removed to avoid additional cleaning charges. All residents are required to pay a standard \$90 maintenance fee via the portal prior to checking in to ACU. This fee is required to cover items that need regular cleaning, such as steam cleaning carpets and mattresses. This fee is not intended to cover a final clean of your room when checking out of the property.

PRE-DEPARTURE INSPECTIONS

Houses are inspected **after** departure. You will be held liable for any damages not raised in your room condition report on check-in. If the room is not thoroughly cleaned, professional cleaners will be contracted to clean the house at a cost to you. The final clean of the house is a responsibility shared between all residents in the house. If issues are found in the final inspection and not remedied by house mates, professional cleaners will be contracted to clean the house. The cost of cleaning common areas will be divided among the residents in the house.

KEY RETURN

Once you have cleaned and removed all personal items from your house, you can return your key to the accommodation office during office hours. At the end of the year, there will be information sent directly to confirm arrangements for key return across the residence.

SECURITY DEPOSIT

Security deposit refunds are processed following a departure inspection. Residents will be held liable for the cost of professional cleaning if required, as well as the cost to repair damages or replace damaged goods. These charges, as well as any outstanding fees on your account, will be deducted from your security deposit.

The remaining security deposit will be returned to the account from which it was first deducted within 30 days of check out. If this account has closed, please speak to staff prior to check out to arrange a new security deposit refund form and a statutory declaration to verify the closure of the initial account.
